

West Windsor–Plainsboro Special Education PTSA

WWP SEPTSA 2024 – 2025

SEPTSA'S MISSION

District-wide PTSA building strong partnerships among teachers, parents, students, administration, and the community so that students with special education services, Sec 504 accommodations, or in need of any support will be better understood, integrated and embraced by our school and community.

WHY SEPTSA?

1. Understanding / Support

Support beyond the classroom from families with similar experiences offering advice / resources

2. Connections

Opportunities to network with parents, teachers and administration at meetings and activities

3. Education

Arranges topical speakers and experts to share useful information about the often complicated special education system

4. Student Programs

Connection for students with special needs

5. District-Wide Scope

Represents students across all grades and schools

6. PTA Benefits

Benefits same as individual school PTAs, including officer role training, statewide representation and connections
